Dr. Cathy Pratt is the Director of the Indiana Resource Center for Autism at the Indiana Institute on Disability and Community located at Indiana University. Dr. Pratt serves on numerous Advisory Boards, including the Advisory Boards of Maap Services, Inc., the College Internship Program, the Autism Society of Indiana, and the Temple Grandin/Eustacia Cutler Autism Fund. Dr. Pratt also assists with the coordination of the Autism Special Interest Group (SIG) through the Association of University Centers on Disability (AUCD). She served as a member of the public review committee for the Research Roadmap of the Interagency Autism Coordinating Committee and in 2010 was invited to the White House to provide feedback on the president's initiatives on autism spectrum disorders. Dr. Pratt has been honored by the Autism Society with the Individual Achievement Award, with the 2005 Princeton Fellowship Award, and with various awards through NYFAC (New York Families for Autistic Children, Inc.), including recognition from the United States House of Representatives. In 2008, Dr. Pratt was awarded with the Distinguished Service Award by the Indiana Council of Administrators of Special Education. She writes and presents on the following topics: autism spectrum disorders, functional behavior assessment/positive behavior supports, applied behavior analysis, instructional approaches, systems change, and policy. Dr. Pratt earned her BCBA and is now a board certified behavior analyst.

Comfort Inn, Conference Room

Bismarck, ND

*Support Plan Institute
January 30 & 31, 2018 and April 4 & 5, 2018*

By: Dr. Cathy Pratt

Dates:

Part I: January 30 & 31, 2018

Part II: April 4 & 5, 2018

Place: Comfort Inn, Conference Center,
Bismarck, ND

Time: 9:00 a.m. to 4:00 p.m. CST

Fee: Registration is free.

Travel and food is the responsibility of the participant.

Abstract:

Phase I: Initial two day training on the evidence-based behavioral supports. Homework for the participants would be to develop a behavioral support plan, implement the plan, and collect the data. Content for Phase I training would include:

- Functional Behavioral Assessment
- Using the FBA to develop Support Plan Interventions (i.e. Replacement Behavior); Conducting FA to validate Hypothesis
- Data Collection; Monitoring; Revising Best Practice
- Implementing , training, supervising, coordinating behavioral supports across settings

Phase II: Participants would return for two additional days of training with the support plan they developed after Phase I and the initial data collected. This session would focus on evaluating the plans that were developed, data-based decision making, and preparing for BIC and HRC committee approval and review.

CEUs:

Attending both days qualifies for 10 contact hours for ND Social Workers and nurses (no charge).

Who Should Attend? Participants who will benefit from Dr. Pratt's trainings include Program Coordinators/QDDP, Behavior Analysts, Developmental Disabilities Program Managers, regional staff trainers, State DD Division staff; surveyors for HCBS waiver programs and ICF/IDD.
