Cost and Financing

Partners

Once a student is determined eligible for ASTEP it is important to discuss and determine program financing for ASTEP.

There are several potential partners when it comes to financing a student's attendance in ASTEP. On an individual basis, the following agencies have partnered with ASTEP students to provide funding for things such as student tuition, fees, books, room and board costs. The following is a list of potential funding partners or sources:

- Division of Vocational Rehabilitation (VR)
- Developmental Disabilities Services (DD)
- Local school districts
- Tribal Vocational Rehabilitation
- Tribal Higher Education, and/or other agencies
- [ABLE](#) Accounts
- Student SSI Funds (contact [ND Benefits Planner](#) for more information)
- Some students may also be eligible for Federal Student Aid (FAFSA)
- Complete the [FAFSA](#) as soon as possible even if you do not think you will be eligible, this information is required by VR even if not eligible for Federal Aid. Use the [Dakota College at Bottineau](#) school code: **002995**, when applying.
