

WHAT IS A PEER MENTOR?

Peer mentors are other students who work with the students enrolled in our program to help them have a successful inclusive college experience.

Peer mentors support students in many ways including: attending class with the students, holding study times, supporting the student at work, teaching independent living skills & self advocacy, attending social events together, & more.

TYPES OF MENTORS

- Paid Mentors
- Practicum/Clinical Mentors
- Volunteer Mentors

RECRUITMENT

- Word of Mouth
- Campus Networking
- Flyers
- Social Media
- Campus Announcements

TRAINING

Hold required trainings for all mentors before each semester begins, coordinate a social event for students & mentors to meet, facilitate ongoing trainings as needed, develop a mentor handbook, provide peer mentor modules on relevant topics.

Types of Trainings:

- In Person
- Virtual
- Modules
- Hybrid
