

IMPCCT TIP SHEET: PREPARING FOR PERSON-CENTERED PLANNING MEETINGS

STUDENT INVOLVEMENT

Meet with student beforehand to prep and discuss goals.
Encourage the student to have an active part in the PCP planning process and meeting

Examples:

Student can help pick out photos for the PowerPoint
Student can lead the discussion about their goals
Student can click through the slides of the PowerPoint
Grow the students involvement each meeting

BUILD A TEAM

Invite different partners who are part of the student's life

Examples:

Direct Support Providers
Vocational Rehabilitation
Mentor Supports
Any other members that the student or family would like to invite

GOAL SETTING

Aim for reasonable and achievable goals for the student in each life domain
Let the student have a say in the goals set for them

FACILITATING THE PCP

Keep an openness to work with and hear concerns any party on the PCP team may have
Keep the meeting moving forward
Make sure the student is being heard
