

Special Health Services

Screening, Evaluation & Treatment for Hearing Loss

Financial Coverage Program – Helps families pay for medical services for eligible children, youth and young adults, from birth to 21 years of age who require specialty care to diagnose and treat their chronic health conditions.

Services include:

- **Diagnostic Services** – Provides coverage for services that promote early diagnosis of eligible medical conditions.
 - This service can be used immediately after the first hearing screen is not passed (referred) until a diagnosis is confirmed or ruled out; however,
 - There is a financial eligibility requirement (with cost-share option if needed).
- **Treatment Services** – Provides coverage for services to children with chronic health conditions who meet medical and financial eligibility criteria.
 - This service can be used when your child is diagnosed with permanent hearing loss; however,
 - There is a financial eligibility requirement (with cost-share option if needed).

For questions, or to see if your family may qualify for these services, contact:
